## DURING THE NEXT DISASTER, WILL YOU BE PREPARED?

Follow these steps to develop your own pathway for action:

1. Develop an emergency kit for your home, business and car
2. Establish a family communication and emergency plan
3. Get your neighbors and work associates to do the same
4. Understand your emergency plan at work and school:
  - Find out where it is located
  - If none exists, encourage your office to establish an emergency plan
5. Take emergency response training
6. Establish relationships and partnerships with key organizations
7. Sign up for an emergency warning notification service
8. Spread the word in your various communities about being prepared
